PROFESSIONAL EXPERIENCE

Software Developer

Tekton, Inc. – Grand Rapids, MI
June 2016 – Present

- Worked with a team of developers to rewrite tekton.com and connect.tekton.com (b2b) with a modern tech stack and emphasis on speed and develop a ReactNative point of sale app.
- Integrated with external APIs to automatically verify student enrollment, detect fraudulent orders, calculate tax, and fetch estimated delivery dates and shipping rates, among other things. Implemented the sale of eGift Cards. Developed functionality for a holiday giveaway.
- Developed a consistent design system for tekton.com content development and created corresponding reusable React components for integration with a CMS.
- Improved and maintained a highly customized instance of NetSuite. Helped maintain internal web apps. Provided IT support to other employees.

Musician and Conductor

Homeschool Performing Arts – Alto, MI
2015 – 2022

- Played flute and piccolo in pit orchestras for The Music Man (twice), Chitty Chitty Bang Bang, Seussical, Titanic the Musical, and Mary Poppins.
- Rehearsed and conducted pit orchestras for Little Women the Musical, The Pirates of Penzance, and Singin' in the Rain.

Various roles

Calvin College – Grand Rapids, MI
2013 – 2016

- Research Desk Assistant** – Helped students find research sources: books, academic journals, etc.
- Peer Tutor** – Tutored fellow students in computer science, geology, philosophy, and classical mythology.
- CS Department Lab Assistant** – Helped beginning computer science students complete lab and homework assignments in Python.
- Wind Ensemble Librarian** – Organized, copied, and distributed sheet music. Filed new music purchases.
